

At Buswells Lodge Primary School, we use a range of books to foster a love of life-long reading. The skill of reading is intertwined across all areas of our curriculum. Amongst all our topics, children will read a range of novels, short stories, non-fiction texts and poetry. As well as class texts to enjoy, they will also have access to a range of books to suit their level so that the skill of reading and comprehension can be developed both in school and at home.
